

Sir or Ma'am,

Per AFRC/FM, per diem is no longer authorized for missed meals and lodging at locations where government meals and lodging are available. This change is in accordance with the Joint Travel Regulations (JTR) and does not apply to grades O-7 and above.

When generating orders, the appropriate meal and lodging statements must be selected from the menus in AROWS-R. Adding statements to the order, such as "meals not directed" or "meals not available due to mission requirements," does not generate an entitlement and will be corrected by the orders specialist. Additionally, an AF Form 2282 for missed meals will not be allowed.

If you perform your Annual Tour (AT) and receive per diem when quarters and meals are available, this will be deemed an overpayment, and you will be responsible for repayment.

To determine which Air Force installations have government quarters and meals available review AFMAN 34-102, Directory of Government Quarters and Dining Facilities, or use the following links:

CONUS locations: <http://www.defensetravel.dod.mil/Docs/afman34-102-c.pdf>

OCONUS locations: <http://www.defensetravel.dod.mil/Docs/afman34-102-oc.pdf>

Reservists on AT orders are authorized the basic allowance for subsistence. A location where Food Transformation has been implemented does not change the meal availability determination or create authority to reimburse a member while on AT.

Contact your Detachment for further information.
