

**CONTRACT FOR REGAF OR RESERVE RETIRED  
TO AIR FORCE RESERVE PROGRAM**

1. I, \_\_\_\_\_ (print full name), hereby acknowledge and agree to satisfactorily serve in the Selected Reserve. I have been counseled and given the opportunity to read and understand this commitment.
2. I hereby acknowledge and agree to the following:
  - a. That I am being accessed as an active duty or reserve retiree to serve and satisfactorily participate in the Selected Reserve.
  - b. To complete a period of two consecutive years in the Selected Reserve beginning \_\_\_\_\_ and terminating on \_\_\_\_\_
  - c. Members who wish to continue at the end of the initial two year period will need to submit an extension request at least 6 months prior to the end of the contract.
  - d. Members who change positions based on assignments or for promotion selection, will be required to submit a new indispensability request for CAFR approval.
3. To maintain Air Force standards, including compliance with the administrative regulations and directives issued by the Department of Defense and the United States Air Force relative to my obligations and participation as a member of the Selected Reserve. Such standards include, but are not limited to, participation and training requirements, and fitness standards.
4. If I fail to comply with such standards, I understand that I may be subject to adverse actions to include: demotion, recall to active service, separation, possibly under other than honorable conditions, and/or recoupment of monies expended by the Air Force, to include applicable interest if authorized under Title 10 U.S.C., Section 2006.
5. I do not presently have a firm, fixed, or sincere objection by reason of religious training and beliefs that would preclude my participation in war in any form or the bearing of firearms. I recognize that entering into this contract is inconsistent with such objections and beliefs. I have no present intent to seek release from any reserve commitment on this basis in the future and recognize that my sincerity and motives would be in serious question should I attempt to do so after substantial funds have been expended for my training and/or education.
6. Medical personnel only. Should I become unable to begin the period of reserve participation specified in this contract within \_\_\_\_ days from \_\_\_\_\_, or become unable to complete my Reserve Service Commitment, I agree to reimburse the United States for the Reserve Service Commitment incurring event for monies expended by the Air Force, to include applicable interest if authorized under Title 10 U.S.C., Section 2005 (excludes UPT, UNT, etc.).
7. I understand that pregnancy, child birth, or custody of minor child, is not an automatic reason for separation. It is Air Force policy that reservists who have incurred reserve obligations, including RSC, for extensive sponsored education and training will not be released from their obligations solely on the basis of pregnancy, childbirth, or custody of a minor child.
8. I understand that a discharge in bankruptcy under Title 11, United States Code, will not release me from my obligation to reimburse the United States as required under the terms of this contract if the final decree of discharge in bankruptcy is issued prior to five years after the last day from the period I have agreed to serve.
9. Only the commander of the Air Force Reserve (or designee) may excuse me from my obligation to serve on reserve duty for the period specified in this agreement.

10. The Commander, Air Force Reserve Command (or designee) may excuse me from my obligation to serve on Reserve duty for the period specified in this agreement when such authority deems release in the best interests of the Air Force. I acknowledge that excusal under this provision does not require my consent.

11. I understand that for Lt Cols and below, that I will be allowed to compete for promotion however, promotion selection alone does not entitle me to continue to serve. If I'm allowed to continue to serve, a new indispensability determination may be needed if I'm required to change positions to pin-on the new rank. Colonels will not be afforded the same promotion opportunity as retired Colonels will not be allowed to compete for the Reserve Brigadier General Qualification Board (RBGQB).

12. Should any dispute arise over the terms or conditions of this contract, or if I hereafter seek discharge from military service or release from my reserve obligation, I acknowledge, and agree to exhaust my available administrative remedies prior to seeking judicial review. I will remain subject to reserve duty while exhausting administrative remedies.

13. I understand that this is the entire contract between the United States Air Force Reserve and myself. I further acknowledge that there are no oral or other agreements, understandings, or representations affecting the contract or relating to my military service, except as specifically provided herein.
