

ALCON,

SUBJECT: Academic Year (AY) 2015-2016 Reserve Development Education Designation Board (RDEDB) Application

Ever thought about attending Air Command and Staff College in-residence? How about studying with our sister service at the Army Command and General Staff College? Heard of the Harvard National Security Fellowship? All of these opportunities and more can be available to you.

Interested?

If so, then send in your application to the 2015-16 RDEDB, which will convene October 19 to identify the best-qualified officers for in-residence developmental course placement.

Remember, your rater must endorse your application before forwarding to your program manager. Then, your program manager will route it to the final endorsement authority (FEA)/senior rater (SR), prior to submission to Air Reserve Personnel Center for board consideration. Additionally, make sure that if your rater is also your FEA/SR, you identify it on your application.

You can find more information and instructions on how to apply by logging-on to [MyPers](#) (CAC-enabled) and selecting the *AY15/16 RDEDB* link under the *Alerts* section.

Applications are due to your detachment by September 2.

Don't miss out on any of these great, career-advancing opportunities - apply today!

Commander, HQ Individual Reservist Readiness and Integration Organization
