

*This message is an update to [ARCNet Message 14-0006, 48-IDT positions reduced to 24](#), dated 8 August 14.*

Alcon,

As stated in ARCNET message 14-0006 (link provided above), beginning in fiscal year (FY) 2015, the number of annual IDT periods associated with your IMA position will be reduced from 48 to 24. This change required us to make system changes in UTAPSWeb before you could schedule your IDTs for FY 15.

Those system changes will be completed by Friday, 19 Sep, at 1600 (EDT). After this time, you may log in to [UTAPSWeb](#) and schedule your FY 15 IDTs.

Thank you for your continued service to our country.

CHRISTOPHER E. CRONCE, Colonel, USAF  
Commander, HQ Individual Reservist Readiness and Integration Organization
