MEMORANDUM FOR INDIVIDUAL RESERVISTS

FROM: HQ IR RIO/CC
18420 E Silver Creek Ave
Buckley AFB CO 80011

SUBJECT: IR Program Expectations

1. Welcome to the Individual Reservist (IR) program! I would like to make you aware of the standards and expectations I have for you. As IRs, our primary mission is to be ready to fulfill our duties at all times. The attached spreadsheet details these requirements. I urge you to read this information carefully as it is key to success in the IR program. The HQ IR RIO website is a central location where you can go to retrieve information regarding the IR program. It contains a wealth of information and should be the first source for information that you turn to when you have a question.
2. Your Supervisor and Unit Reserve Coordinator (URC) are vital communication links between you and your unit. Coordinate with them to schedule participation and to complete your readiness requirements. If you need contact information for your Supervisor or URC, contact your servicing HQ IR RIO Detachment.
3. HQ IR RIO was established to help you support the active component's mission, and we are committed to doing that. The same high-level expectations we have for you, you should have for us. If we are not meeting those expectations, please provide your feedback. Currently, you can do that by sending an email to your servicing HQ IR RIO Detachment. Soon, this capability will be available via the HQ IR RIO iPhone App and through myPers. We look forward to serving you and will continue to work hard to establish and cultivate a positive, trusting relationship with you and the units/organizations you support. Thank you for all that you do!
4. This letter supersedes the IR Program Standards and Expectations memo dated 10 Sept 14.

A handwritten signature in black ink, appearing to read "Cronce", is written over a horizontal line.

CHRISTOPHER E. CRONCE, Colonel, USAF
Commander
