- Use your FSS/CSS Personnel as the first step
- Research the AFI
- Review evaluations using vPC checklists
- Submit reports on time
- Use the vPC reporting tool for status checks

Frequent Errors

- Directed by HAF
- Airman (Initial) Reports
- SrA Reports
- Referral Reports
- Prohibited Statements

Directed by HAF

- 12/24 Rule
- Close out the day prior
- Member needs to have an established EPR cycle.
- Applies to Enlisted only.

- 1. Verify member's last closed out report in MilPDS and ARMs.
- 2. Verify when the member promoted. (Promotion Order)
- 3. From the DOR determine what the next SCOD for the promoted rank would be.
- 4. Calculate from the date of the last closed out report to the promoted ranks next SCOD.
 - If the time frame will exceed 24 months (Non-EAD) or 12 months (AGR) a Directed by HAF report will be needed.
 - Start date will reflect the day after the last report and the report will closeout the day prior to Date of Rank (DOR). Note: Rank on the report will reflect the previous rank and Reason for Report will reflect Direct by HAF.
 - If the time frame does not exceed the 24 (Non-EAD) or 12 (AGR) months.
 - Start date will reflect the day after the last report and the report will closeout on the promoted ranks next SCOD. The report will be either a Biennial (Non-EAD) or Annual report.

Airman Report Guidance

- As of 4 January 2018, all enlisted Airmen will receive <u>initial</u> evaluations upon the first 31 March SCOD reached as a Senior Airman. (Only if they have NEVER had a report)
- Start date will reflect the member's Date Initially Entered Uniform Service (DIEUS).
- Closeout date will reflect the first SCOD (31-MAR) after the member promotes to SrA.

ALESERVE Airman Report Guidance Guidance

- If an Airman already has an initial (or SCOD) evaluation in their record and are not yet a SrA, when will they receive their next evaluation?
 - All A1Cs and below will continue to receive an Annual/Biennial evaluation on the next applicable SCOD.
- Should we Cancel the EVR if the member has an Initial Report "Work in Progress"?
 - If the member will <u>not</u> promote to SrA prior to 31-MAR-2018; cancel the report.
 - If the member promoted to SrA prior to 31-MAR-2018; return the report and advise them to change the closeout date to 31-MAR-2018 or the Initial report can be processed and the next report will closeout on the SCOD.

- What if an airman is new and has only completed IADT or a member is not participating in UTAs or IDTs, how does the rater complete the report?
 - The rater must still complete the report.
 - non-rated days are <u>not authorized</u> for the sole purpose of identifying that the rater has not physically seen the ratee or the ratee has not participated in UTAs or IDTs (due to IADT or failure to report).
 - White space is authorized on an evaluation and sections that require one minimum bullet may state "LINE INTENTIONALLY LEFT BLANK"
 - Sections that state comments are optional may have a comment or state "THIS SECTION NOT USED".
 - Keep in mind, any derogatory statement, rating of "Met some but not all expectations", or a "DO NOT PROMOTE" recommendation (AF910 only), will make the evaluation a referral report.

Forced Distribution

- The AFI does not state that the ARC is not participating in forced distribution, the current MyPERS guidance will remain in place and the ARC (ART, TR, DSG, IMA, AGR) will not utilize Forced Distribution and promotion allocations.
 - Unit commanders (or Forced Distributors) will need to provide a promotion recommendation as applicable in Section IX, block 6.
 The AF Form 910.
 - Section I, Block 7, FDID, will need to state N/A until all FDIDs are identified.

Common Errors Referrals

- Follow the AFI guidance!!
- Member must be given required time (3 duty days for AGR & 30 calendar days for non-EAD) to submit a rebuttal.
 - The Additional Rater, Reviewer and Unit CC <u>cannot sign</u> or complete his/her section until this time has elapsed.
- Additional Rater's section must have mandatory comment.
 - "I have carefully considered (Ratee's name) comments to the referral document of (date)."
 - "Comments from the Ratee were requested but were not received within the required period"

Common Errors Referrals Cont.

- The date the rater signs the evaluation and the date of the referral memo must be the same date
- (E1-E8) Referral memo must contain the Reviewing Evaluator's name and address (either mailing or email) in para 2.
- The referral memorandum for Officers & Chiefs is located on the back of the evaluation
 - Section XI (Referral Report)
 - Name/Mailing information of the Reviewing Evaluator (AF912)
- OPR's: Section IV (rater's comments), rater MUST make a comment pertaining to the behavior that caused the OPR to become a referral.

Additional Information

1) How does the average user who does not have a personnel background know where to go for guidance?

- The local MPSs are responsible for in-house training and CSS training, therefore, the units and average users will be able to obtain information from either their MPS or CSS. Also, myPers is not just a personnel website; all members have access and have the ability to find PSD guides and information on evaluations and many other personnel items. (FAQs, Checklists, AFI, ETC...)

2) Is the MPS responsible for reviewing evaluations?

- Yes, per AFI 36-2406 para 1.6.10.1, the MPS will review all evaluations for administrative accuracy and policy compliance IAW this instruction prior to forwarding the evaluation to AFPC/ARPC. The MPS must also assist Senior Raters which the MPS services to ensure the AFI is complied with.

Prohibited Statements (OPRs)

- PME: Raters cannot recommend officers for specific schools, including "joint DE;" only the terms PDE, IDE, SDE are authorized.
- Key Personnel List (KPL)

Per AFRC FD Branch Chief

- "the KPL or DT vector at all is prohibited, with or without a stratification. She said we may need to reword that statement in the AFI, it was just copied over from the AFRCI Force Development instruction."
- Promotion recommendations
- Stratification: Quantitative comparison of an individual standing among peers within a definable group and within a specific evaluators scope of authority (i.e., direct rating chain). Correct: "#2 of 72 Majors in the group" Incorrect: "top 5% officer".

Officer Promotion Boards

- ARPC is expediting EPRs/FDRs/OPRs that are affected by promotion boards held at HQ ARPC or at the state level.
- We respectfully request that all inquiries pertaining to expediting evaluations or status requests be limited to the categories mentioned previously, e.g., time-sensitive due to promotion boards.
- Report timeliness is everyone's responsibility.

Evaluations Training

- Dates: October 14-27
- Unit funded.
- We will accept AGRs if you want to send them TDY -- again unit funded.
- All system access paperwork will be completed prior to arrival.
- Personnel with evaluations experience would be ideal or a plus.
- We provide evaluations training.
- Units may bring a list of pending evaluations to process.

AROWS

• Start date cannot change - if the date changes in AROWs - then revoke the order and create a new order

Authoritative Source

Data (otherwise known as AROWS) is the ONLY authoritative source for updating DEERS. If an order is not reflecting correctly; it CANNOT be manually updated because it becomes an unverified segment and if not verified by data then DMDC will not execute benefits to the member. Manually manipulated data cannot flow to provide proper benefits. It will cause Tricare to view gaps in coverage.
