MEMORANDUM FOR ALL MILITARY PERSONNEL SECTIONS

FROM: HQ USAF/REG-COLONELS GROUP  
1150 Air Force Pentagon  
Washington, D.C. 20330-1150

SUBJECT: CY20 Air Force Reserve Command Screening Board (RCSB) Notice

1. The CY20 RCSB will not convene as a traditional board. Similar to CY19, RCSB eligible officers will be pulled and filtered based on the criteria outlined below. From that final list of eligible officers, anyone who is also on their functional DTs Key Personnel List (KPL) will be on the final RCSB list for CY20. KPLs published on 8 September 2020 will be used for RCSB selection decision.

2. The RCSB will review eligible officers for consideration to fill wing commander, vice wing commander and group commander positions in the following categories: Rated Operations, Space, Cyber, Intel, Maintenance, Mission Support and Medical. Final approval authority for placement of officers into these positions remains with AFRC/CC and/or AFRC/CD.

3. Basic eligibility criteria:

a. Air Force Reserve Officer in any of the following categories: Air Reserve Technician (ART), Individual Mobilization Augmentee (IMA), Traditional Reservist (TR), Active Guard Reserve (AGR).

b. Colonels and Colonel-selects: Colonels/Colonel-selects with a Mandatory Separation Date (MSD) of **31 October 2022 or later**, (except Medical AFSCs). Current sitting commanders, **group level and higher**, will automatically be eligible for RCSB command positions. Colonels in 90G0 positions will not be considered. Colonels must have an advanced academic degree as of **1 August 2020**.

c. Lieutenant Colonels: Lieutenant Colonels must be eligible to meet the CY20 Colonel promotion board, have completed SDE (any method), as of **1 August 2020** and have an MSD of **1 April 2021 or later**. Note: Lieutenant Colonels will only be considered for Group/CC positions.

d. Officers with an approved retirement; or with unsatisfactory participation in two of the last three consecutive years; or with a current UIF will not be screened. Officers serving under the Indispensability program will not be screened. Officers on a VLPAD tour will not be screened, unless an ETP is requested due to the member completing his/her tour prior to the next convening RCSB.

e. Commander experience desired.

4. Specific eligibility criteria by command category: **Members will compete based on their Core ID as indicated in their personnel records**. Officers must be fully qualified in the command category AFSC. Eligible members will compete in the following categories:

a. **Wing CC/CV/Operations Group CC (Rated):**

- AFSC 10C0, 11XX, 12XX, 13BX/CX/DX, 18XX

b. **Space Wing CC/Space Operations Group CC:**

- AFSC 10C0, 13NX/SX (10C0 only with 13N/S experience)

c. **Cyber CC:**

- AFSC 10C0, 17X (10C0 only with 17X experience)

d. **Intel CC:**

- AFSC 10C0, 14NX (10C0 only with 14N experience)

e. **Maintenance Group/CC:**

- AFSC 20C0, 21AX, 21MX, (20C0 only with 21AX/MX experience)

f. **Mission Support Group/CC:**

Officers in remaining Line AFSCs who have not competed in the aforementioned categories

g. **Medical Group/CC:**

- AFSC 40C0, 41AX, 42XX, 43XX, 44XX, 45XX, 46XX, 47XX and 48XX

5. **All eligible officers need to take action only if they wish to decline consideration by the board.** Declination would be appropriate if the officer does not desire to compete for group level or higher command, or if they are unwilling to change Reserve Status or location if screened, and subsequently selected for command. If that is the case, officers should submit an e-mail (attachment 2) to HAF/REG Colonels Group **not later than 1 August 2020**. Submit email to [usaf.pentagon.af-re-mbx.af-reg-col-management@mail.mil](mailto:usaf.pentagon.af-re-mbx.af-reg-col-management@mail.mil).

6. To ensure personnel records are accurate, eligible members are instructed to review their Career Data Brief (CDB), Point Credit Summary Inquiry (PCARS) data, and Core ID. These data fields can be accessed through the AF Portal, under Personnel and Career by selecting vMPF (virtual Military Personnel Flight). Once in vMPF, select Career Data Brief under Most Popular Applications and follow the instructions. To review PCARS data, navigate to Self-Service Actions and select Personal Data. Eligible members should refer to attachment 3 for instructions on how to correct discrepancies identified on their CDB and PCARS data. **Deadline for updating records is 1 August 2020.**

7. Questions concerning eligibility for this board process can be directed to the AF/REG-Colonels Group, Lt Col Heather Sullivan (Comm: 202-404-3247) or email: [usaf.pentagon.af-re-mbx.af-reg-col-management@mail.mil](mailto:usaf.pentagon.af-re-mbx.af-reg-col-management@mail.mil).

## INSTRUCTIONS FOR REVIEWING YOUR CAREER DATA BRIEF (CDB)

**You are responsible to ensure the accuracy of your record (specifically, the portion that will be reviewed by the screening board) prior to the board convene date. At a minimum, you should review your CDB using the instructions below to correct any inaccuracies in your record. This information will appear on the Officer Selection Brief (OSB) which is seen by the RCSB. Errors left uncorrected could have a negative effect on your opportunities; therefore, you must address any errors in a timely manner.**

**It is your responsibility to track all corrections and changes to your CDB, which will in turn update your OSB.**

**Address any corrections to your MPS. For personnel without a MPS:** The offices in the OPR/POC column below should be contacted to address problems with the specific area of the CDB. No action is necessary if changes are not required.
