Sir or Ma'am,

Due to network issues with AROWS-R, that system is temporarily only available from a .mil network.

Technicians are actively working to resolve this issue but there is no resolution date at this time. We will notify you when AROWS-R is available from .com networks.

If you need to request or access your orders during this outage and you do not have access to a .mil network, please contact our servicing HQ RIO Detachment. Contact information can be found online at www.arpc.afrc.af.mil/hqrio.aspx, under HQ RIO Directory or Detachments.
