Sir or Ma'am,

Two new resources are now available to help you manage your IR career.

The completely revised Guide for Individual Reservists and the HQ RIO mobile app for Apple devices are now available for download.

The Guide for IRs is an A-to-Z manual for your IR career. In addition to receiving a full re-write, the Guide for IRs has been optimized for mobile devices. The guide can be downloaded at <http://www.arpc.afrc.af.mil/Portals/4/Documents/RIO/TheIRGuide.pdf>.

The HQ RIO App for Apple devices places many resources at your fingertips, eliminating the need to remember complicated web addresses. It offers direct access to resources on the HQ RIO website, including the Guide for IRs, information on readiness, finance, travel and contact information. It also features an option to email HQ RIO directly.

The app includes HQ RIO, Air Reserve Personnel Center and Air Force RSS feeds to keep you up-to-date on the latest news and information.

To get the app, launch the App Store from your iOS mobile device, search "HQ RIO" and follow the installation instructions. The HQ RIO mobile app is currently only available for Apple devices.
