

ALCON,

SUBJECT: RMG-RIO transition update, detachment restructures, and AROWS-R orders impact

As mentioned in previous ARCNet messages ([14-001](#), [14-005](#)), the RMG is transitioning operations to Headquarters, Individual Reservist Readiness and Integration Organization (HQ RIO), Buckley AFB, CO.

On Aug 25, we will begin restructuring our detachments. Our 15 existing detachments will consolidate to seven primary detachments and eight operating locations. Our detachments will also be renumbered based on geographic region. Please take a moment to locate your current RMG detachment (below) and make note of your new RIO detachment and the effective transition date.

25-26 August Det Consolidation

RMG Det 3 (CENTCOM, SOUTHCOM, SOCOM, AFSOC) and RMG Det 8 (ACC) → RIO Det 6, MacDill AFB, FL, with two operating locations (Hurlburt Field, FL, and Joint Base Langley-Eustis, VA)

8-12 September Det Consolidation

RMG Det 10 (PACOM, PACAF) → RIO Det 2, Joint Base Pearl Harbor-Hickam, HI

RMG Det 4 (NORAD-USNORTHCOM, AFSPC, USAFA), RMG Det 16 (AFGSC), and RMG Det 25 (STRATCOM, CYBERCOM) → RIO Det 3, Peterson AFB, CO, with two operating locations (Barksdale AFB, LA, and Offutt AFB, NE)

RMG Det 2 (AMC, TRANSCOM), RMG Det 7 (AETC, AFPC, AFISRA, AFSFC), and RMG Det 12 (AFMC, AFRC) → RIO Det 4, Scott AFB, IL, with two operating locations (Joint Base San Antonio-Randolph, TX, and Wright-Patterson AFB, OH)

RMG Det 14 (centrally managed JA/SG/HC/HO IRs) → RIO Det 5, Robins AFB, GA

RMG Det 11 (NCR headquartered organizations) and RMG Det 29 (MAs) → RIO Det 7, Joint Base Anacostia-Bolling, Washington DC, with a future operating location at the Pentagon; MA orders support will continue to be provided from RMG Det 29 until 15 Dec 14.

RMG Det 9 (USAFE) and RMG Det 21 (EUCOM, AFRICOM, NATO) → RIO Det 8, Stuttgart, GE, with one operating location at Ramstein AB, GE

A few system changes are required as a result of these mergers, and we are working to minimize the impact to you. AROWS-R is one such system. To help mitigate any delays to orders processing, please ensure that AROWS-R order requests or modifications are completed no later than 22 August 2014. Order requests submitted after this date may be delayed due to required AROWS-R adjustments.

In the coming days, you will receive a detailed Welcome Note from your new detachment commander containing detachment-specific guidance. For additional resources and self-service help, please visit the HQ RIO website at <http://www.arpc.afrc.af.mil/library/rio/index.asp>.

Again, we appreciate your patience and understanding during this critical transitional period.

CHRISTOPHER E. CRONCE, COLONEL, USAF
Commander, HQ Individual Reservist Readiness and Integration Organization
