

CHAPTER 11: Special Circumstances Travel

Some types of travel and the applicable entitlements are identified in the Joint Travel Regulations (JTR) as Travel Under Special Circumstances or Categories. These trip types are also known as Special Circumstances Travel (SCT).

This chapter identifies the trip types that are included in SCT. It provides guidance for creating an authorization in the Defense Travel System (DTS) using any of the SCT trip types. This chapter assumes the user is familiar with authorization creation procedures in DTS. The information provided here only shows the ways in which the SCT trip types change the process for creating authorizations. For more information on creating an authorization in DTS, see Chapter 2 of this manual.

Check local business rules to ensure that all substantiating documents are attached and travel is done in accordance with the requirements of the traveler's organization.

This chapter covers the following:

11.1 SCT Secondary Trip Types

The SCT secondary trip types facilitate the reporting of certain travel that was not previously allowed by the JTR. Eligibility for routine travel is typically determined by the Authorizing Official (AO), whereas eligibility for SCT is determined by personnel, medical or other authorities. Conditional routing for SCT may be used to route documents to the appropriate approving authority. Each trip type includes a printable information page to ensure that the traveler and AO are aware of the special circumstances for the trip.

Many SCT secondary trip types will trigger Other Authorizations. The Other Authorizations cannot be removed manually. They can only be removed when the triggering condition is no longer present. The Other Authorizations remarks are not editable but may be appended.

Some of the SCT trip types use DTS functionality for travel, transportation, and per diem to record fully reimbursable travel. The below list identifies examples of travel for which these trip types are available:

- Family Member Travel
- Patient Travel
- Escort and Attendant Travel
- Interview Travel
- Travel When Recalled From Leave or When a Ship Has Relocated

See Table 11-2 for a list of these trip types and their use (**NOTE - The trip definitions in this manual have been updated to reflect the merge of the JFTR/JTR into the JTR. Definitions in DTS have not been updated yet**).

Some of the trip types have regulatory restrictions on reimbursement for transportation and/or per diem. In accordance with existing regulations, DTS enforces required restrictions on allowable per diem, transportation expense reimbursement, use of military air, and travel to alternate locations. These travel situations are listed below:

- Emergency Leave
- Rest and Recuperation (R&R)/Special R&R Leave
- Emergency Visitation Travel (EVT)
- Family Visitation Travel (FVT)
- Funded Environmental and Morale Leave (FEML)
- Convalescent Leave
- Military Dependent School Travel
- Outside Continental United States (OCONUS) Department of Defense Education Activity (DoDEA)
- Student Travel
- Disciplinary Travel

See Table 11-3 for a list of these trip types and their use (**NOTE - The trip definitions in this manual have been updated to reflect the merge of the JFTR/JTR into the JTR. Definitions in DTS have not been updated yet**).

In addition to the preceding SCT trip types, some trip types provide information only on common travel. These trip types are typically accomplished using Routine, Invitational, or Permissive Travel capabilities in DTS. See Table 11-4 for a list of these trip types and their use.

The Secondary Selection drop-down list on the Trip Overview screen displays only the secondary trip types that the traveler is eligible to use, based on the traveler's profile. For instance, LABOR ORG REPRESENTATIVE does not appear for military members. Likewise, AMATEUR SPORTS COMP does not appear for civilian employees. CADET-MIDSHIPMEN will only appear for military members with a rank of MC-00.

Note: If directed to travel using military aircraft, contact the local administrative representative for instructions on acquiring a reservation and seat on available military aircraft.

Table 11-1 provides definitions for the terms used in this chapter.

MEDIC CIV EMP OCONUS	Employee Medical Travel	When the Secretarial Process determines that local medical facilities (military or civilian) at a foreign OCONUS area are not able to accommodate an employee's needs, transportation to another location may be authorized for appropriate medical/dental care. If possible, medical travel should be scheduled with other non-medical travel to avoid separate medical travel. Required medical treatment that cannot be postponed until the employee's next scheduled travel should be authorized as medical travel. When authorized medical travel, an eligible employee assigned to a foreign OCONUS PDS is authorized travel and transportation allowances for travel to and from another location incident to the employee obtaining required health care. For more information see JTR, Chapter 7, Part B (Medical Travel), Section 4 (Employee and Dependent Medical Travel).
MEDIC MIL MEMBER TDY	Transfer of patient to/ from medical facility or home under TDY	An active duty member patient, ordered to travel for necessary medical care, is authorized the travel and transportation allowances for either TDY or PCS, as applicable. PRE EMPLOYMENT FULL TDY	Pre-Employment Interview Travel	A DoD Component may pay allowable pre-employment interview travel expenses for an individual being considered for employment. Each DoD Component must establish qualification criteria for determining which applicants receive payment for pre-employment interview travel expenses. Unless otherwise stated in the JTR, Chapter 7, Part D, allowances for an interviewee are the same as those available to a DoD employee traveling on official Government business. However, a DoD Component is not required to offer all allowances to each interviewee. A DoD Component electing to pay only per diem or only common carrier transportation costs must pay the full amount authorized for a DoD employee, except that the interviewee may not be paid for communications services for purposes other than communication directly related to travel arrangements for the Government interview and hire of a room used for official business. An individual government travel charge card may not be used, but a CBA may be used to pay the interviewee's allowable transportation expenses. An interviewee must not be issued a travel advance. Government contractor-issued travelers' checks may not be used for pre-employment interview travel. For more information see JTR, Chapter 7, Part X (Miscellaneous Special Circumstances), par. 7800.
RECALL FROM LEAVE	Recall from Leave	A member en route to or at a leave location who is ordered to return to a duty station for duty must bear the cost of returning unless the recall is for operational reasons. An eligible member is authorized TDY per diem, transportation, and reimbursable expenses (computed as if returning to a PDS from TDY) for travel: 1. Beginning the day of departure from the leave location or place the member receives an order cancelling leave, and ending on the arrival day at the duty station; and 2. If authorized to resume leave, beginning the day the member departs from the duty station, and ending on the arrival day at a leave location no farther distant from the duty station than the place the member received the order canceling leave. For more information see JTR, Chapter 7, Part A (Travel ICW Leave), Section 7 (Recall From Leave - Uniformed Members Only).

SHIP RELOCATED WHEN AWAY	Ship Relocated during Authorized Absence	If a member's assigned ship relocates during an absence on authorized leave or liberty (pass), the member is authorized travel and transportation allowances for the additional cost, if any, to return to the ship's new location over that required to return to its old location. If the member is not notified of the relocation before departure on leave or liberty, the member is authorized these allowances. A member who departed the ship on emergency leave while the ship was in its home port is authorized these allowances even if the member knew of the ship's relocation before departing on emergency leave. Travel and transportation allowances are the same as if traveling on TDY. Reimbursement is limited to the additional cost and may not exceed the transportation cost between the ship's old and new locations. If return to a relocated ship requires transoceanic travel, transportation-in-kind is authorized for the travel. The Government/Government-procured transportation financial obligation is limited to the transportation cost between the ship's old and new locations. The member is financially responsible for any additional cost. If, when the member travels back to the ship, the transportation cost exceeds the transportation cost between the ship's old and new locations, city-pair fares are not authorized for use. For more information see JTR, Chapter 7, Part A (Travel ICW Leave), Section 6 (Ship Relocated During Authorized Absence).
STUDENT SPEC DODEA EVAL	Travel of a Handicapped DoDEA Student for Diagnostic and Evaluation Purposes	Travel and transportation allowances as prescribed for travel by a TDY employee are authorized for a tuition-free DoDEA student who has a disability when travel is necessary because competent medical/educational authorities request a student diagnosis/evaluation under DoDI 1342.12, and travel is necessary to obtain the diagnosis/evaluation. If the medical/educational authority requests that one or both of the student's parents/guardians be present, either to participate in the diagnosis/evaluation or to escort the student, travel and transportation allowances are authorized for the parent(s)/guardian(s). If the parent or guardian is a military member, reimbursement is in accordance with TDY travel in the JTR. If the parent or guardian is a civilian employee or is not employed by the Government, reimbursement is in accordance with TDY travel in the JTR. For more information see JTR, Chapter 7, Part C (Dependent Student Travel), Section 1 (Uniformed Members Only), or Section 2 (Civilian Employees Only).

UN PEACEKEEPING TDY	Members assigned TDY as observers to UN Peacekeeping Organizations	A member assigned TDY as an observer to a UN peacekeeping organization, which receives a UN mission subsistence allowance (mission per diem), is also authorized TDY per diem allowances. The per diem amount, when added to the UN mission subsistence allowance, cannot exceed the per diem allowance of a member assigned TDY to other than a UN peacekeeping organization in the same area. In no event does JTR, Chapter 7, Part X (Miscellaneous Special Circumstances), par. 7640 authorize a reduction in the UN per diem allowance.

11.2 Travel Authorization Process for Special Circumstances Travel

This section describes how to create an authorization using SCT trip types. It assumes that the user is familiar with the typical process for creating an authorization in DTS. This chapter only covers the differences that apply to an authorization when the Special Circumstances trip type and a secondary trip type are chosen.

For more information about creating an authorization/order in DTS, see Chapter 2 of this manual.

11.2.1 Selecting a Trip Type

When creating a SCT travel authorization in DTS, the fields and process are the same as typical DTS authorizations until the user selects Special Circumstances from the Trip Type drop-down list (Figure 11-1).

Trip Overview

Booking Travel using the Defense Travel System requires that you first provide information about your starting and ending locations (usually your home or duty station) and your TDY Locations for per diem purposes. You will be able to request bookings for transportation (e.g., air, car, rail) and lodging after these initial steps are complete.

Please Note: A Red Star (*) indicates a field is required.

This selection causes the Secondary Selection drop-down list to appear (Figure 11-2). The user must also make a selection from this list.

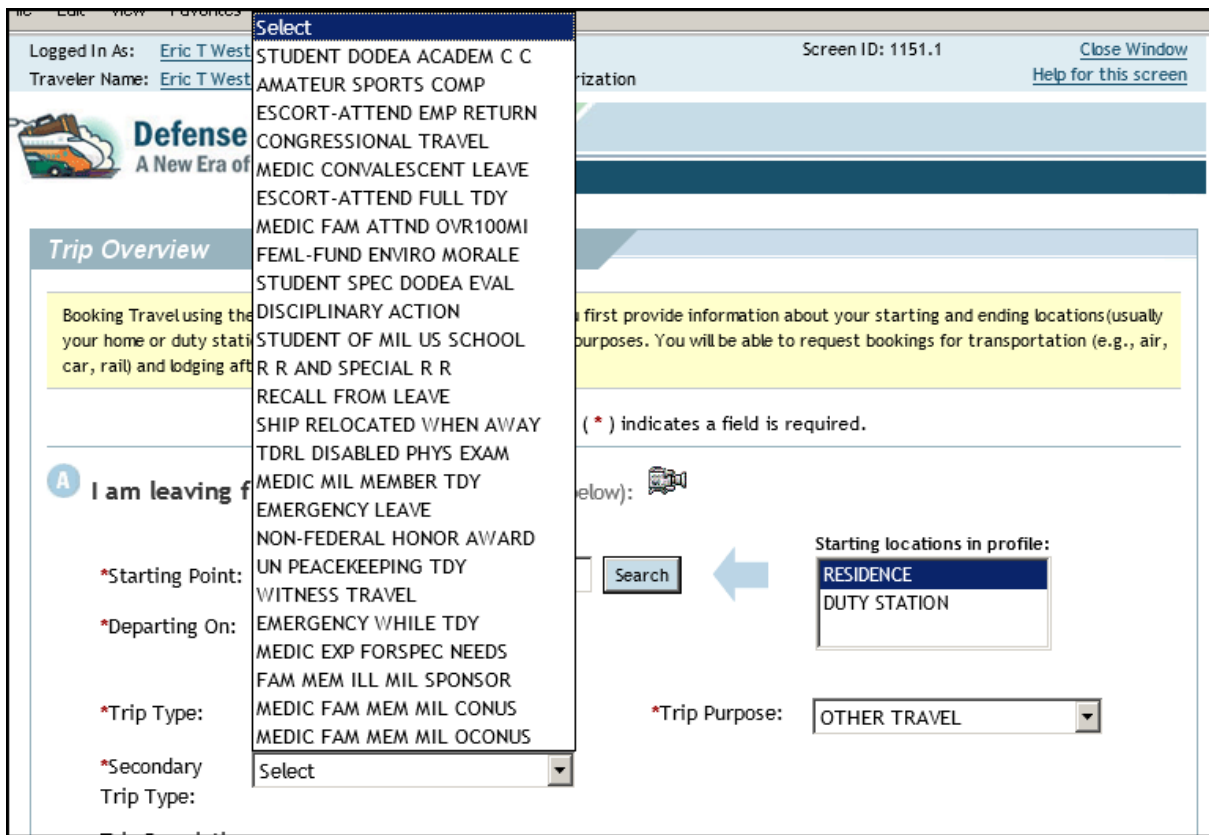

Figure 11-2: Secondary Selection List

Note: The Secondary Selection drop-down list shown in Figure 11-2 is for a military member assigned to an OCONUS PDS. The options on the list will vary according to the type of traveler.

In most cases, the selected secondary trip type determines the entitlements that DTS will allow the traveler to select. For Information Only trip types, see Section 11.2.2.

Follow the below steps to select the Special Circumstances trip type and a secondary SCT trip type:

1. Select the **Trip Type** drop-down list arrow.

Chapter 11: Special Circumstances Travel

2. Select the **Special Circumstances** trip type from the drop-down list (Figure 11-1).

The screen refreshes, and a Secondary Selection drop-down arrow appears below the Trip Type list.

11.4 Alternate Location Travel

The option to enter and travel to an alternate location or airport instead of the designated location or airport appears if one of the SCT trip types below is chosen:

- EMERGENCY VISIT TRVL EVT
- FEML-FUND ENVIRO MORALE
- FAM VISIT TRAVEL (FVT)
- R R AND SPECIAL R R
- STUDENT OF MIL US SCHOOL

Selecting one of these trip types will change the name of the *My TDY Location* field in Section C of the Trip Overview screen to *My Designated Location*.

The user must select a designated location and specify a designated airport. Choosing an alternate location is optional. Travel to either location is authorized; the traveler will be limited to the General Services Administration (GSA) City-Pair fare for the designated location in cases where the alternate location is more costly. Refer to the applicable JTR reference displayed in the Eligibility Requirements window for more information.

Beginning in Section C of the Trip Overview screen, follow the below steps to add an alternate location:

1. Use the **location tools** to select the designated location.

After the location has been selected, DTS completes the airport field with the code of the closest airport.

The screen refreshes and the **My Alternate Location is (Optional)** field appears (Figure 11-12).

The screenshot shows a web form titled "My designated location is:". It contains several input fields: "*Location:" with the text "TAMPA,FL"; "*Airport:" with a dropdown menu showing "TPA - Tampa International Apt"; "*Arriving On:" with a date field "06/18/2014" and a calendar icon; and "*Departing On:" with a date field "06/25/2014" and a calendar icon. Below these fields is a section titled "My alternate location is (optional):" which includes an empty text input field and a "Search" button. To the right of the form is a "Location Tools:" panel with a "Search By:" section containing four buttons: "Location", "State/Country - Location", "Zip Code", and "County Lookup". A blue arrow points from the "Location Tools" panel towards the "My alternate location is (optional):" section.

Figure 11-12: Trip Overview Alternate Location Field

2. Complete the **My Alternate Location is (Optional)** location field. This is optional.
3. Complete the Trip Overview screen.
4. Select **Save and Proceed**.

If the alternate GSA City-Pair fares is less than or equal to the designated GSA City-Pair fares, then the traveler may continue.

A pop-up message displays the combined GSA City-Pair fares for the designated location and the alternate location (Figure 11-13).

Figure 11-13: GSA City Pairs Pop-Up Message

5. Choose **OK** to proceed.
-OR-
Choose **Cancel** to enter a new alternate location.
6. Proceed with selecting air reservations and creating the rest of the authorization.

If the cost of the GSA City-Pair fares to the alternate location exceeds the cost of the GSA City Pair fares to the designated location, a pop-up message displays the combined GSA City-Pair fares (Figure 11-14). Select **OK** to proceed. The Trip Overview screen opens. Select a new **alternate location**.

Figure 11-14: GSA Exceeds Designated GSA Pop-Up Message

If no airport is found for the designated location, the traveler is prompted to select another location (Figure 11-15). Select **OK** to proceed.

Figure 11-15: No Airport Found Pop-Up Message

When no GSA City-Pair fare exists for a designated location, the user may continue (Figure 11-16). The Travel Management Company (TMC; formerly known as the Commercial Transportation Office (CTO); DTS still refers to the TMC as the CTO) and AO must ensure that expenses do not exceed the cost of travel to the designated location.

11.5 Transportation Only Trip Types

The below secondary trip types shown below allow transportation reimbursement only:

- DISIPLINARY ACTION
- EMERGENCY LEAVE

- FEML-FUND ENVIRO MORALE
- FAM VISIT TRAVEL (FVT)
- MEDIC CONVALESCENT LEAVE
- PRE EMPLOY TRANS ONLY

Reimbursement is set to the requirements in the JTR. Depending on the secondary trip type, the following may be authorized:

- Government transportation
- Government procured transportation
- Commercial travel
- Privately owned conveyance (POC)

If Government transportation is used, no reimbursement will be authorized. However, a voucher from authorization is required.

DTS blocks non-mileage expenses that are not transportation-related.

If the user attempts to enter lodging costs or other per diem expenses, a message informs the user that per diem expenses are not allowed for this trip type (Figure 11-17). The user must select **Return** to complete the authorization.

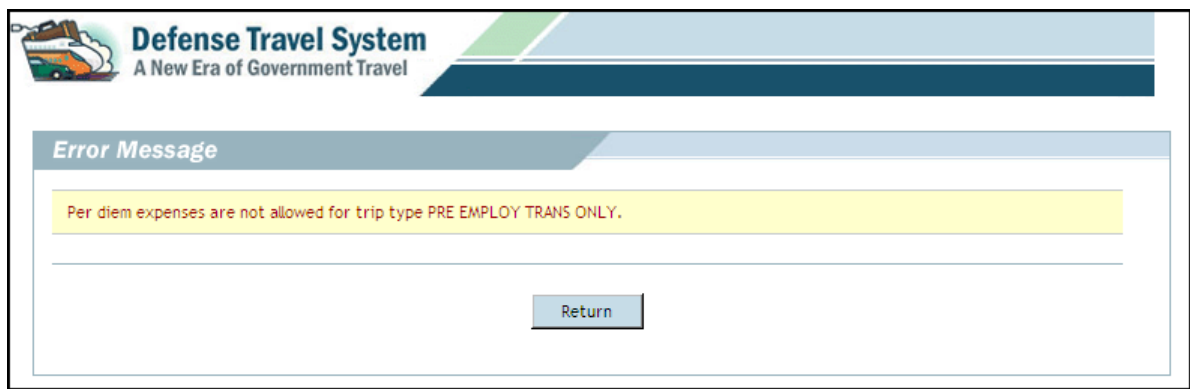

Figure 11-17: Per Diem Expenses Not Allowed Message

11.6 Per Diem Only Restriction

The secondary trip type shown below allows reimbursement for per diem only:

On the Trip Overview screen, Section B, I will be traveling to my TDY location by, defaults to “Other.” This selection cannot be changed (Figure 11-18).

The screenshot shows a section titled "B I will be traveling to my TDY location by - (Select from the list below)". Below this title are five radio button options: "Commercial Air", "Rail", "Rental Car", "Other", and "Time:". The "Other" option is selected. To the right of the "Time:" label is a dropdown menu with "Select" and a downward arrow. Below the options, a note reads: "(Claim Private Vehicle Transportation in Expense-Mileage. Use of Government Vehicle is non-reimbursable, show this in Expense-Non-Mileage.)"

Figure 11-18: Trip Overview Screen - Transportation Mode “Other”

After the Trip Overview screen is completed and refreshes, Section D, I will be returning from my TDY by, defaults to “Other.” This cannot be changed.

If the user/traveler selects **Save and Proceed** on the Trip Overview screen, DTS displays the Preview Trip screen to complete the authorization.

If the user/traveler attempts to enter reservations or other ticketed transportation, a message displays. It explains that reservations are not permitted for authorizations using this trip type (Figure 11-19).

The screenshot shows the Defense Travel System interface. At the top, there is a navigation bar with tabs for "Itinerary", "Travel", "Expenses", "Accounting", "Additional Options", and "Review/Sign". Below this is a sub-navigation bar with tabs for "Air", "Lodging", "Rental Car", "Rail", and "Other Trans.". The "Air" tab is selected. A message box is displayed with the text: "Selection of Travel Reservations is not allowed for PRE EMPLOY PERDIEM ONLY trip type." The message box has a yellow background and a red border. Below the message box is a "RETURN TO LIST" button.

If **Non-Mileage** is selected in the Expenses module, a message explains that non-mileage expenses are not permitted for authorizations using this trip type.

If **Mileage** is selected in the Expenses module, a message explains that mileage expenses are not permitted for authorizations using this trip type.

11.7 Per Diem Only On Travel Days

The secondary trip type shown below permits per diem on travel days only:
