- The Moderator Team
 - HQ RIO Staff
 - Det Commanders/Superintendents/Staff

Who does what between the unit and Detachment?

- HQ RIO and the detachments have "shared ADCON" with your AC unit
- It can be confusing!
- Sometimes need to advocate for yourself
- Resources
 - IR ADCON AT-a-Glance – now available!
 - IR Guide
 - Training! Sept 18th, 1200 EDT

How to best educate the AC about IMAs and how to use/support them?

- HQ RIO needs your help to get info to your supervisors
- Make sure your supervisor is in touch with your URC
- Supervisor Training on the website
 - <https://www.arpc.afrc.af.mil/HQ-RIO/Training/>

Are telework and alternate duty locations still an option?

- Yes!
- Try to think outside the box ... how can you accomplish meaningful work and stay safe?
- Work with your AC supervisor
- Telework
 - Complete a telework agreement
- Alternate location
 - For AT, fill out the AT Special Request Form

How does ROM work?

- ROM – Restriction of Movement (Quarantine)
- Exhaust other options first
 - Telework
 - Alt location
- Alert your Det OWC ASAP that you need ROM
- For AT/IDTs/RPA
 - ROM is done on separate orders
- For MPA
 - Sometimes included, sometimes separate

Can you be asked to work more than 8 hours per day on IDTs?

- Yes
- No more than 2 points in a 24-hour period
- Remember ... each point is a day of pay!

Can we elect to have 48 IDTs for our position rather than 24?

- No
- The number of IDTs (24 or 48) for each position is related to the position itself
- You need to do the exact number associated with your job

How do we accomplish readiness items when the AC pushes back?

- HQ RIO is aware and working to improve things
- Medical
 - You do NOT need to be in status to make an appt
 - You DO need to be in status FOR the appt
- Fitness Testing
 - You DO need to be in status FOR the appt
- Points-only IDTs count for status
- RIO working on MFRs to help when there is push back
- Ask to speak to a supervisor

Why can we only reschedule IDTs once in UTAPS?

- There are two ways to handle moving days in UTAPS
 - Reschedule – limited to 1 time
 - Delete and add a new day – no limit!
- Remember, there is a HELP section!
- Schedule as individual days instead of blocks of days
- Make sure UTAPS is letting you schedule the correct number of days for your position (24 or 48)

What should those with excess leave due to COVID-19 do with it?

- Policy extends “use or lose” to 120 days through FY 21
- Info on the PAY section of the site:
 - <https://www.arpc.afrc.af.mil/HQ-RIO/IMA-RPO/>
- Carry it over
 - Paperwork intensive
 - Gaining CC needs to approve it
- Sell it back
 - If the leave was earned on orders of LESS THAN 365 days, the sellback doesn’t count against the 60-day limit

Why can’t reservists use LeaveWeb?

- LeaveWeb can’t service all the Reserve-specific issues
- RPO is generating leave numbers within HOURS now!

Why can’t we do AT/IDTs in Oct?

- You can!
- Due to the switch in FY, October orders might not be approved until the last minute

Is there a move toward a single DD214 that encompasses Reserve service?

- Small progress toward this – early stages
- Weekly working group with the sister services
- New form would be an addendum to the DD214
- Contact ARPC/DPT for more information
- https://mypers.af.mil/app/answers/detail/a_id/14289/p/18/c/790

Any consideration by promotion boards for less participation due to COVID-19?

- Board will see your points history
- How the members score is up to them
- ARPC/PBO advises members to write a letter to the board to explain why there was a bad year
 - Short
 - Information, not excuses
 - Best to let them know

Why can’t IDT Lodging Reimbursement be more simple?

- The process is being worked at AFRC
- RIO Travel asks for what is necessary under reg and the law
- Training:
 - <https://www.arpc.afrc.af.mil/HQ-RIO/Training/>
- Quick Guide:
 - <https://www.arpc.afrc.af.mil/HQ-RIO/IRGuide/>

- How cool would that be!?
- HQ RIO and Det staffing just doesn't allow for it
- Some alternatives:
 - TFSC – 1-800-525-0102
 - RIO Connect app
