

In line with our commitment to transparency on our EVOLVE journey, aiming to enhance and advance our processes, AGR Assignment is dedicated to providing informative updates on our new application response time and sharing useful tips along the way.

My Applications New Response Time

Effective immediately, AGR Management has changed the MyVector response time from 14 calendar days to 10 business days from the member's last inquiry. This new timeline considers non-business days such as weekends, federal holidays, and family days, providing more accurate planning and clear expectations for members awaiting responses in My Applications via MyVector. The previous 14 calendar day response time did not account for these non-business days, causing delays and frustration for members who did not receive a timely response. With this change, we aim to reduce frustration, confusion, and delays, and to set clear expectations for members awaiting responses.

My Applications Useful Tips

If you're working on a laptop in MyVector, make sure to zoom out to see the entire application. If you don't, you won't be able to see the options to upload documents or send messages.

Resources

AGR Management Information, tools, guides, etc. may be found on the ARPC Assignment Splash Page - <https://www.arpc.afrc.af.mil/Services/Assignments/>.

We remain committed to transparency as we strive to enhance and simplify our processes. We deeply value our customers, stakeholders, and mission partners.

Thank you for your attention on this matter!
