

**DTI Notice:** 230216-01

**Topic:** Impact to RRPA Requests During ARC Retirements Transition to myFSS

**Applicable to:** Air National Guard and Air Force Reserve Airmen

**BLUF:** Beginning 1 March 2023, HQ ARPC Retirements will be returning RRPA requests for members born after 31 December 1974.

During the transition from vPC to myFSS, we must prioritize the processing of requests from those members who are currently eligible for retirement benefits to prevent a delay in their pay. To do this, we will be returning the requests from members born after 31 December 1974. These members are not eligible to receive RRPA benefits within the next two years and they will not be negatively impacted. Once the Retirements platform successfully transitions to myFSS, we will send out information on the steps these members will need to take to resubmit their requests in the new system.

As we continue to implement digital transformation initiatives, additional information will be provided to the field. As always, please direct members needing immediate assistance to the Total Force Service Center, at 1-800-525-0102. FSS Commanders and Superintendents should contact the FSSE Line with urgent issues.
