

ARPC Frontline

At the frontline of customer service

ARPC Frontline is a resource the FSS community can reference to find the latest information and updates from the Headquarters Air Reserve Personnel Center. For more information about the notices, please follow the embedded links to the ARPC Digital Transformation webpage.

ARPC Notice: 241024-01

Topic: Clearing Performance Reviews from the Admin Dashboard

Impact: Air National Guard and Air Force Reserve Airmen MPFs

BLUF: There is an ongoing issue with completed EPBs and OPBs remaining on the MPF's Admin dashboard under the "In Coordination" section. Currently, there is no estimated date for resolution.

ARPC Notice: 241024-02

Topic: ERAB Common Errors

Impact: Air National Guard and Air Force Reserve Airmen

BLUF: To reduce the number of returned ERAB cases, please refer to the common errors listed in this message.

ARPC Notice: 241024-03

Topic: Service Verification – DD214s

Impact: Air Force Reserve Airmen

BLUF: The Service Verification Team has several topics to address regarding a member's DD 214. Please read the following topics as they may apply to you.

ARPC Notice: 241024-04

Topic: AGR Assignment Applications and Forms

Impact: Air Force Reserve Airmen

BLUF: These documents summarize the agreements between AGR Management and the applicant. They are maintained in our system of records and ensure regulatory compliance by notifying you of actions or conditions that fall outside of regulations.
