

ARPC Frontline

At the frontline of customer service

ARPC Frontline is a resource the FSS community can reference to find the latest information and updates from the Headquarters Air Reserve Personnel Center. For more information about the notices, please follow the embedded links to the ARPC Digital Transformation webpage.

ARPC Notice: 240528-01

Topic: AFIPPS Data Load Conversion

Impact: Air National Guard and Air Force Reserve Airmen

BLUF: The data load update with AFIPPS conversion is causing several issues that result on incorrect information reflected in vMPF.

ARPC Notice: 240528-02

Topic: Age 60 Retirements Developmental Training Session

Impact: Air National Guard and Air Force Reserve Airmen

BLUF: ARPC is preparing to host a developmental and personnel opportunity in the Retirements section.

ARPC Notice: 240528-03

Topic: Common DD 2656 Errors on Retirement Applications

Impact: Air National Guard and Air Force Reserve Airmen

BLUF: HQ ARPC is currently experiencing delays in processing Age 60 and Reduced Retired Pay Age (RRPA) pay request applications.

ARPC Notice: 240528-04

Topic: Retirement and Tricare Benefits

Impact: Air National Guard and Air Force Reserve Airmen

BLUF: HQ ARPC is currently experiencing delays in processing Age 60 pay requests caused by an increase in customer quality errors.

ARPC Notice: 240528-05

Topic: Reduced Retirement Pay Age (RRPA) Process

Impact: Air National Guard and Air Force Reserve Airmen

BLUF: HQ ARPC is reorganizing internal processing procedures to better serve Airmen waiting for a Reduced Retirement Pay Age (RRPA) calculation date.
