Topic: Extension for Processing Legacy Evals Prior to vPC Sunset

Applicable to: Air National Guard and Air Force Reserve Airmen

BLUF: Legacy evals processing in vPC has been extended from **15 November 2023 to 31 December 2023**.

Due to vPC log-in issues over the September and October UTAs, the utilization of vPC to process legacy evaluations has been extended. All legacy evaluations now must be in a “work in progress” status in vPC no later than **31 December 2023**.

With the vPC extension, Evaluation Appeals have also been extended for the MPF/FSS to submit on a member's behalf. Please submit Evaluation Appeals for all Guard and Reserve members through vPC until **31 December 2023**.

ARPC will not accept any legacy evaluations and/or evaluation appeals after 31 December 2023. Any missing legacy evaluations after this date will require a gap report (AF Form 77). MPFs will need to submit gap reports to ARPC via the Ask a Question within myFSS.

This will be the final extension. The system will be shut down after the new year.
