

# ARPC Frontline

At the frontline of customer service

ARPC Frontline is a new resource the FSS community can reference to find the latest information and updates from the Headquarters Air Reserve Personnel Center. For more information about the notices, please follow the embedded links to the ARPC Digital Transformation webpage.

The Digital Transformation Initiative (DTI) is one of our top priorities and we will use this forum to provide FSS members with DTI Notices on timely subjects. As a friendly reminder, FSSs should relay this information to their unit CSSs to ensure the smoothest possible transition at every level. You will find the following DTI Notices attached to this issue of Frontline:

**DTI Notice:** 230331-01

**Topic:** Systems Transferring Away from myPers

**Impact:** Air National Guard and Air Force Reserve Airmen

**BLUF:** Several remaining personnel programs are transitioning to new systems and will no longer be available on myPers beginning 1 April 2023.

**DTI Notice:** 230331-02

**Topic:** Accessions System Transition

**Impact:** Air Force Reserve Airmen

**BLUF:** As of 7 April 2023, all accessions related requests should be submitted through MyVector. Incidents already submitted within myPers will continue to be processed in myPers.
