MEMORANDUM FOR MUNITIONS (2W0) CAREER FIELD

FROM: CMSgt Russell C. Guajardo
442 MXS/MXMW
931 Arnold Dr
Whiteman AFB, MO

SUBJECT: CY22 2W0 Munitions Career Field Enlisted Key Personnel List (KPL)

1. We are pleased to announce the results of the CY22 AFRC Munitions (2W0) Career Field Developmental Team (DT) Board. The board convened from 28 February to 3 March 2022 at Headquarters Air Reserve Personnel Center (ARPC), Buckley SFB, CO. The board panel, consisted of three Total Force 2W0 Chief Master Sergeants and one Senior Master Sergeant. Panel members evaluated 121 records for vectoring and development for the ranks of Technical Sergeant through Chief Master Sergeant. These efforts resulted in the selection of 27 Airmen for the CY22 AFRC 2W0 Career Field KPL.
2. Selection for the KPL indicates a member is highly competitive in their career field and grade based on the whole person concept, and is therefore seen as a High Potential Leader, which may lead to specific opportunities and development as future senior AFR leaders. While placement on the KPL does not guarantee anyone a job, hiring authorities for designated key positions do reference this list when making hiring decisions.
3. Please extend congratulations to our 2W0 Career Field members who made the KPL during the DT process. These members have demonstrated leadership by completing above and beyond training requirements, developmental education, gained experience, and fostered advancement of Airmen and the mission. If you have any questions or concerns please contact the MAJCOM Functional Manager or the board chair, CMSgt Russell C. Guajardo at russell.guajardo@us.af.mil.
