1. The Air Force Reserve Command (AFRC) Civil Engineering (CE) Development Team (DT) met 16-20 May 2022 at Headquarters Air Reserve Personnel Center (ARPC), Buckley SFB, CO.
2. Selection for the CE Key Personnel List (KPL) indicates the highly competitive individuals within the 32E career field by rank. Those selected are viewed as being in the top of the career field, which may lead to specific opportunities and development as future senior AFR leaders. While placement on the KPL does not guarantee any individual a job, hiring authorities for designated positions should reference this list when making hiring decisions.
