MEMORANDUM FOR AFRC MEDICAL LEADERS

FROM: CMSgt Regina Buckhalter
HQ AFRC/SG
549 Pine St
Robins AFB, GA

SUBJECT: CY23 Medical Career Field Enlisted Key Personnel List (KPL)

1. I am pleased to announce the results of the CY23 AFRC Medical (4XXXX) Career Field Developmental Team (DT) Board. The board convened on 30 January-03 February 2023 at Headquarters Air Reserve Personnel Center (ARPC), Buckley AFB, CO. The board panel consisted of six Total Force Chief Master Sergeants and two Senior Master Sergeants. Panel members evaluated 282 records for vectoring and development for the ranks of Technical Sergeant through Chief Master Sergeant. These efforts resulted in the selection of 54 airmen for the CY23 AFRC Enlisted Medical Career Field KPL and 28 High Potential Junior Enlisted (HPJE) Technical Sergeants for future leadership positions.
2. Selection for the KPL and HPJE indicates a member is highly competitive in their career field and grade based on the whole person concept, and is therefore seen as a High Potential Leader, which may lead to specific opportunities and development as future senior Air Force leaders. While placement on the KPL or HPJE does not guarantee anyone a job, hiring authorities for designated key positions do reference this list when making hiring decisions.
3. Please extend congratulations to our Medical Career Field members who made the KPL or were identified as High Potential Junior Enlisted leaders during the DT process. These members have demonstrated leadership by completing above and beyond training requirements, developmental education, gained experience, and fostered advancement of Airmen and the mission. If you have any questions or concerns, please contact the IMA to the Chief, Medical Enlisted Force (CMEF), CMSgt William Smoot at william.smoot.1@us.af.mil.

A handwritten signature in black ink, reading "R Buckhalter", is positioned above the typed name.
