Section 1 - Mandatory Separation Date/High Year Tenure Date

- If you have received a letter from HQ ARPC advising that you will be automatically transferred to the Retired Reserve on your mandatory separation date (MSD) or high year tenure date (HYT); you do not need to apply for retirement unless you wish to request an earlier date. If your retirement effective date is the same as your MSD or HYT, please [click here](#) to provide information for your retirement ceremony and certificate.

Section 2 - Retirement Introduction/Pre Application Checklist

There are two basic retirement categories for Air Force Reserve and Air National Guard personnel:

Reserve Retirement:

- You are eligible for Assignment or Transfer to the Retired Reserve if you have 20 satisfactory years of service. Reference AFI 36-3203, Service Retirements and [AFI 36-3209](#), Separation and Retirement Procedures for Air National Guard and Reserve Personnel Members. If you are uncertain whether you have received your letter or do not have a copy you may submit a request on line using the vPC-GR application at <https://gum.cx.usd.oraclecloud/app/processes/form/fn/vdb>.
- Please safeguard the 20 Year Letter. In addition to protecting your retired pay entitlement, it is required as proof of eligibility for space available travel on military aircraft IAW DoD Regulation 4515.13-R, Air Transportation Eligibility.
- You may submit a request on line using the vPC-GR application at <https://gum.cx.usd.oraclecloud/app/processes/form/fn/vdb> to verify total number of retirement points to determine your basic eligibility or the vMPF under "Self-Service Actions." In vMPF, click on "Personal Data", then "ANG/USAFR Point Credit Summary Inquiry" (PCARS) and "Point Summary" which will provide you with your total "Satisfactory Service" and then click on "Service History" and at the bottom of the "Retire" column this will provide your "Total Retired Points".
- One more item you may want to check before deciding on your date is to review our "Entitlements" information concerning the Reserve Component Survivor Benefit Program and the retirement pay calculator. You can access this information at <https://gum.cx.usd.oraclecloud/app/processes/form/fn/rpc>.
- To determine your retired pay you must have your "Total Retired Points" (Outlined above) and your "Years of Service" directly from your Leave and Earning Statement (LES). This includes members who prefer to be discharged under the provision of [AFI 36-3208](#), Administrative Separation of Airmen (regular Airman requesting appointment as a Reserve Officer for retirement under Title 10).

Active Duty Military Retirement

- To be eligible for an active duty military retirement, members must have accumulated 20 years of Total Active Federal Military Service (TAFMS). If members are officers and they wish to retire in their officer grade, they must also have 10 years of commissioned service. See [AFI 36-3203](#), Service Retirements and AFI 36-3209, Separation and Retirement Procedures for Air National Guard and Reserve Personnel Members.
- To verify your TAFMS, you may submit a "My Request" using our vPC-GR self-service application at <https://gum.cx.usd.oraclecloud/app/ask> or calculate it yourself by using the vMPF under "Self-Service Actions." In vMPF, click on "Personal Data", then "Record Review/Update", then click on "Service", on the first line you should find your Total Active Federal Military Service Date (TAFMSD). Use your projected retirement date and subtract it from your TAFMSD. To determine your retirement pay and Survivor Benefit Pay (SBP) you can do this by using the following website: <https://w20.afpc.randolph.af.mil/retsepcalcnet35/RetirementCalculator.aspx>. If you do not know your 1405 date, you can contact the Total Force Service Center - Denver (TFSC) TFSC@mailds01.csd.disa.mil or toll-free 1-800-525-0102
- If you apply for an active duty retirement, you must also fill out a [DD Form 2656](#) for pay purposes and attach with your retirement application. You must complete Section II of the DD Form 2656. **Based on previous occurrences of improperly filled out forms, please follow the directions within the "Instructions" link above for filling out the DD Form 2656 and make sure to upload the form into the attachment field within the application.
- Note: Section XI Survivor Benefit Plan Spouse Concurrence - 10 U.S.C. Section 1448, requires that an otherwise eligible spouse concur if the member declines to elect SBP coverage, elects less than full coverage or elects child coverage only (see page 2 of the DD Form 2656 instructions).
