10 Jun 20: Nomination packages due to ARPC/DPA

20-24 Jul 20: Board convenes

TBD: Approximate release of board results

30 Sep 20: Promotion eligibility cutoff date

1 Oct 20: Promotion effective date
1. Objective: Establish procedures for the Stripes for Exceptional Performers II (STEP II) promotion boards for eligible reserve service categories for promotion to the grades of E-6 through E-9.

2. Policy:

   a. STEP II is a commander’s program designed to promote outstanding and well deserving Air Force Reserve members in categories A (Unit), B (IMA), and E (PIRR) to one grade above the authorized UMD grade. Only those Airmen who clearly demonstrate outstanding potential should be considered for promotion under STEP II. Promotions are based on a demonstrated ability to serve in the next higher grade.

   b. Promotion quotas are determined by HQ AFRC/A1 based on a modeling process that (1) precludes allocation of STEP II quotas whenever AFRC meets or exceeds the 5% level of the assigned enlisted population who have been promoted via STEP II, and (2) precludes allocation of STEP II quotas whenever manning in a particular grade is above 100%.

   c. The STEP II promotion cycle occurs annually and STEP II selection boards are conducted with a promotion eligibility cut-off date (PECOD) of 30 September. Nominees must meet eligibility requirements at the time of nomination (10 Jun 20) AND on the PECOD (except for the AFRC chief orientation course (COC) requirement for members being considered for promotion to E-9). **Exception: TIG and TIS requirements only have to be met on the PECOD, not at the time of nomination.**

   All members selected for promotion will be promoted on 1 October unless the individual being promoted previously held the grade being promoted to and a DOR adjustment is obtained as appropriate.

   d. HQ AFRC/A1KK determines and provides the promotion quotas for each grade to ARPC (which includes IR Readiness Integration Organization (RIO)), Numbered Air Forces (NAFs), wings, RIO Detachments. There is no requirement for all quotas to be used.

3. Promotion Authority:

   a. The AFRC/CC is the promotion authority for members selected for promotion to E-8/E-9 by the central STEP II board. AFRC/CC is also the promotion authority for HQ AFRC assigned staff members selected for STEP II promotions to E-6/ E-7.

   b. ARPC/CC, NAF CCs, RIO/CC, wing CCs, and DRU CCs are the promotion authority for their assigned members selected for STEP II promotions to E-6/E-7.
4. Promotion Eligibility:

   a. Nominees must meet all eligibility requirements (except TIG and TIS) at the time nominations are due to ARPC (10 June 2020) AND in accordance with AFI 36-2502, Enlisted Airman Promotion/Demotion Program, para 8.9., with the exception of being assigned to a higher-graded unit manpower document (UMD) position.

   b. Nominations for STEP II promotions are limited to one grade over the authorized grade of the UMD position the member occupies (except Cat E). NOTE: Members not in a higher graded position, who are prevented from promotion and are otherwise eligible, can be considered for STEP II. Members in the grade of E-6, E-7, or E-8 who are either overage or over grade coded are NOT eligible for consideration.

   c. Members in the grade of E-5 ARE eligible for STEP II promotion consideration regardless of overage status, however; IAW with AFI 36-2110 paragraph 8.7.13., promotion must not result in an overage and over grade situation occurring simultaneously.

   d. Satisfactory participation for the previous 12 month period from the nomination date is required. NOTE: Members with any unexcused absences within the previous 12 month period from the nomination date are not eligible for STEP II consideration.

   e. Members must be able to obtain 24 months retainability from the promotion effective date before being considered for promotion to E-7 through E-9. If the Airman’s high year tenure date (HYTD) will not allow this, the member is ineligible to compete for STEP II.

   f. Members must have a current and passing fitness assessment score at the time of nomination AND prior to the promotion effective date, if selected.

   g. Any member nominated for STEP II promotion to the grade of E-8 or E-9 are required to have completed the SNCOA (in-residence or by correspondence) and must have an associate degree or higher from a nationally or regionally accredited academic institution completed and updated in MilPDS prior to 10 Jun 20.

INCOMPLETE SUBMISSIONS WILL NOT BE RETURNED FOR CORRECTIONS AND WILL NOT BE ELIGIBLE TO MEET THE STEP II BOARD.

APPLICATIONS RECEIVED AFTER 10 JUN 20 WILL NOT MEET THE STEP II BOARD
5. Nomination Process:

a. For ARTS/TRs: the Military Personnel Flight (MPF) will review and scrub STEP II promotion eligibility rosters prior to providing them to units for completion. Units will provide completed rosters back to the MPS for review of any additions to the roster to ensure eligibility requirements are met and prior to nomination packages being completed. NAFs/wings/independent groups will determine and monitor their local nomination processes, to include any additional MPF involvement.

b. For IR: ARPC/DPT will provide eligibility rosters to the RIO detachments. RIO will determine and monitor their IR nomination process. Nomination packages will be forwarded from the member’s active component commander/director to the RIO detachment CC for further processing to RIO. All nomination packages will be submitted to the ARPC/CCC for signature prior to submitting to ARPC/DPAF.

c. Special duty nominees (E-6/E-7/E-8 only): Special duty functional managers must be notified of members being nominated for STEP II promotion to the grade of E-7/E-8 or E-9 who are currently serving in a special duty. Functional managers must sign STEP II promotion checklist acknowledging notification of nomination and provide a concur or non-concur recommendation.

d. All nominations are required to have a quality review conducted prior to submitting to ARPC/DPAF.

e. ARPC/DPAF only accepts packages directly from HQ AFRC, ARPC, NAFs, wgs, and DRUs (identified below). All IR packages must be submitted through ARPC/CCC and are not to be sent directly to ARPC/DPAF.

NOTE: Every installation is authorized to submit nominations based on the numbers below.

RESERVE SERVICE COMMITMENT CONTRACT

I, ______________________ (print full name), hereby acknowledge and agree to satisfactorily serve in the Selected Reserve and fulfill my reserve service commitment IAW AFRCI 36-2102, Table 1.1., Rule 2 for the following reason promotion. I have been counseled and given the opportunity to read and understand AFRCI 36-2102.

I hereby acknowledge and agree to the following:

1. To serve and satisfactorily participate in the Selected Reserve.

2. To complete a period of 2 consecutive years IAW AFRCI 36-2102 in the Selected Reserve beginning 1 Oct 2020 (Promotion Effective Date), reserve service commitment terminating on 30 Sep 2022 (End Date based on RSC Requirement).

3. To serve my reserve service commitment associated with elimination or withdrawal from education or training described in Table_______ of AFRCI 36-2102, beginning the day immediately following withdrawal or elimination.
4. To maintain Air Force standards, including compliance with the administrative regulations and directives issued by the Department of Defense and the United States Air Force relative to my obligations and participation as a member of the Selected Reserve. Such standards include, but are not limited to, participation and training requirements, and fitness standards.

5. If I fail to comply with such standards, I understand that I may be subject to adverse actions to include: demotion, recall to active service, separation, possibly under other than honorable conditions, and/or recoupment of monies expended by the Air Force, to include applicable interest if authorized under Title 10 U.S.C., Section 2006.

6. I do not presently have a firm, fixed, or sincere objection by reason of religious training and belief to participation in war in any form or the bearing of firearms. I recognize that acceptance of funds or entering into this contract is inconsistent with such objections and beliefs. I have no present intent to seek release from my reserve commitment on this basis in the future and recognize that my sincerity and motives would be in serious question should I attempt to do so after substantial funds have been expended for my training and/or education.

7. Medical personnel only. Should I become unable to begin the period of reserve participation specified in this contract within _______ day’s from ________, or become unable to complete my reserve service commitment, I agree to reimburse the United States for the Reserve Service Commitment-incurring event for monies expended by the Air Force, to include applicable interest if authorized under Title 10 U.S.C., Section 2005. (Excludes UPT, UNT…etc.)

8. I will not be relieved of any previously Selected reserve service commitment incurred. My total reserve service commitment incurred through previous training, education, or promotion will be served concurrently, not to exceed the greatest commitment date.

9. I understand that pregnancy, child birth, or custody of minor child, is not an automatic reason for separation. It is Air Force policy that reservists who have incurred reserve obligations, including RSC, for extensive sponsored education and training will not be released from their obligations solely on the basis of pregnancy, childbirth, or custody of a minor child.

10. I understand that a discharge in bankruptcy under Title 11, United States Code, will not release me from my obligation to reimburse the United States as required under the terms of this contract if the final decree of discharge in bankruptcy is issued prior to five years after the last day from the period I have agreed to serve.

11. A sabbatical will necessitate adjustment to RSC.

12. Only the Commander of the Air Force Reserve Command (or designee) may excuse me from my obligation to serve on reserve duty for the period specified in this agreement. Excusal may occur with my consent under the following alternative obligations, as approved by the Commander of the Air Force Reserve Command:

   a. A service obligation in another armed force for a period of time not less than my remaining reserve commitment.

   b. An active duty service obligation for a period not less than my remaining reserve service commitment.
13. The **Commander of the Air Force Reserve Command** (or designee) may excuse me from my obligation to serve on reserve duty for the period specified in this agreement when such authority deems release in the best interests of the Air Force. I acknowledge that excusal under this provision does not require my consent.

14. Should any dispute arise over the terms or conditions of this contract, or if I hereafter seek discharge from military service or release from my reserve obligation, I acknowledge, and agree to exhaust my available administrative remedies prior to seeking judicial review. I will remain subject to reserve duty while exhausting administrative remedies.

15. I understand that this is the entire contract between the United States Air Force Reserve and me. I further acknowledge that there are no oral or other agreements, understandings, or representations affecting the contract or relating to my military service, except as specifically provided herein.
